Thanks Shawn….there is no need to be so formal. This is EDA. We just believe in getting the job done. I appreciate the transportation though….It has been a long time since I have been in that big Barn. Probably when I was in the Mayors office many years ago. See you next week.

Wil,

I am sending an invitation momentarily. Mike Galvin from the Port of Los Angeles will be attending and you will be provided on site transportation. We can meet at our office and then travel to the site together. The address and parking instructions will be on the invitation. Please let me know if you need additional information.

Thank you,

Shawn,
How about 9am…..send me some directions please…… attending with me will be your Processing (Project Officer) Ms. Shalini Bansal from Seattle Washington. Please invite the Port Representative

(co-applicant) and if you can, provide some on-site transportation since I do not do distant walking.

Shawn,
I am having my Seattle Project Officer come to Los Angeles next week. Monday and Tuesday. We will be reviewing projects to go before the final committee. Are you all still interested? If so could we meet with you to walk the project on Tuesday?
