Hi Nympha,

I wanted to confirm that the evidence of good title is close to completion but still being worked on.

Also, cc'd on this email is Karl Muller, Manager of Strategic Partnerships and Fund Development, who will be the main point of contact moving forward.

Best,
Krista

Hi Krista,

Attached is the acknowledgement of the QPR period Dec 2017, Thank you for the timely reporting.

I know that Shawn had left your organization and mention you as the contact for the meantime, let us know who or if it is you who will be permanently going to be assigned as the PM for this project for the record.

Currently, in our record, Alta Sea was supposedly working on returning a complete documentation for EDA review of the special award condition – “Evidence of Good Title”, I am not sure now who is working or if that is being worked on still. Let me know.

Thank you!

Respectfully,
