EDA has made available \$587 million for disaster recovery grants in areas impacted by Hurricanes Harvey, Irma, and Maria and wildfires and other federally declared natural disasters occurring in calendar year 2017. The funding will support community developed, long-term economic recovery efforts. The Notice of Funding Opportunity (NOFO) and additional information can be found at [www.eda.gov/programs/disaster-recovery/2018-supplemental](http://www.eda.gov/programs/disaster-recovery/2018-supplemental).

EDA disaster assistance grants are being awarded through its Regional Offices under the agency's Economic Adjustment Assistance (EAA) Program. EDA's EAA program enables EDA to make awards that support a wide range of construction and non-construction activities.
