Dear Mr. Lucas:

This letter is in further response to your Freedom of Information Act (5 U.S.C. § 552) ("FOIA") request dated January 9, 2015 that was received on January 12, 2015 by the Economic Development Administration ("EDA").

Per your request, you seek a copy of the following records:

1. Any subsequent amendments or updates to the application submitted to the EDA by or on behalf of the City of Mount Shasta and Crystal Geysers (listed as primary beneficiary) for funding to carry out the improvement of a sewer pipeline and to provide new jobs to the community.

The stated purpose of the Project is to:

- expand its capacity for current and future growth in the community
- to prevent storm water from leaking into the existing sewer pipe
- to eliminate manhole leaking
- to accommodate Crystal Geysers' wastewater
- to add 2 new wastewater treatment ponds
- to add 150 new jobs to the community

2. All the documents, including legal documents, maintained in the EDA's project file for the above-mentioned grant not already sent in early December 2014.

3. *All communications from December 7, 2014 through present (and additionally including items italicized in #4. below).* among the City of Mount Shasta, or its employees, officers, or
