- b. The number of clients counted in 1.a. above that have completed their project. _____
- c. The number of clients counted in 1.b. above that have not only completed their project but have testified that the project has been completed to their satisfaction (i.e., goals of the project have been met). _____
- d. Amount of increased sales or revenues achieved by TAAC clients resulting from the TAAC assistance reported in 1.a. _____
(base report on information provided by clients)
- e. Estimated number of jobs created or retained by TAAC clients resulting from the TAAC assistance reported in 1.a. _____
(base report on information provided by clients)
- f. Attach a list of clients that achieved the expected results for the technical assistance provided by the TAAC as reported in 1c and provide a very brief description of the technical assistance.
(e.g., Firm: Assistance provided:
 ABC, Inc. Developed a web site to accommodate e-commerce
 ADE, Ltd. Achieved ISO-9000:2000 certification)
- g. For TAACs reporting increased sales or revenues totaling \$40 million and over, or jobs totaling 500 and over in 1.d. and 1.e. above, for any single client, complete and attach the TAAC validation form.
