### EXAMPLE PROJECT

In FY2022, EDA awarded **\$1,220,410 in CARES Act funds to support Guam Community College** with renovating a workforce development training facility in Barrigada, Guam. Guam's economic conditions weakened due to the COVID-19 pandemic and the improvements will allow the Community College to expand workforce development programs to boost employment opportunities in the area.

“One of the things we really appreciate is the fact that EDA had confidence in us to be able to pull this off.”

**Bert Johnston, Director of Education,  
the Guam Contractors Association (GCA)**
