EXAMPLE PROJECT

In FY2022, EDA awarded **\$2,337,971 in Public Works funds to support the Town of Jaffrey** with constructing the Cold Stone Springs Water System Project in Jaffrey, New Hampshire. The project includes construction of a water treatment plant and transmission lines to provide sufficient quality and quantity of water in support manufacturing operations. In addition, the project will increase the capacity and treatment level of Jaffrey's public water supply system, which will allow a large manufacturer located in Jaffrey that employs over 1,000 people, to purchase new equipment, upgrade its facility, and hire new employees.

"This EDA grant will ensure our state has a major role in the 21st Century economy and will create good-paying jobs for Granite Staters."

Congresswoman Annie Kuster (NH-02)

The EDA data provided herein should be viewed as a snapshot of the data available at the time of the data request and are subject to any changes, or updates as reflected within future reports and data requests. This includes, but is not limited to, revisions to the number, dollar amount, program classification and estimated impacts of specific grant awards.

All data as of 2/23/2024; State totals are based on the location of the grantee; All dollar amounts rounded.

1 Applicant estimated at the time of award.

2 Projects may be counted multiple times across themes if they align to multiple themes.

3 Tech Hubs designees are also eligible to apply for EDA's Tech Hubs Phase 2 Notice of Funding Opportunity.
