\$750 million for Travel & Tourism

Assist communities that have suffered economic injury because of job losses in the travel, tourism, or outdoor recreation sectors.

\$510M for State Tourism Grants

*Direct allocations to States and Territories
funded at 100% federal share*

\$240M for EDA Competitive Tourism Grants

*Competitive grants to fund in regions most
adversely affected by damage to the travel,
tourism, and outdoor recreation sectors from the
coronavirus pandemic.*

**The 25% of American
Rescue Plan funding is
dedicated to supporting
travel, tourism, and outdoor
recreation**

**EDA expects to fund at
least 80% of project costs
and may increase the
federal share up to 100%**

State Tourism Grants: \$510 million

Assist communities that have suffered economic injury because of job losses in the travel, tourism, or outdoor recreation sectors

- Direct award allocations to States and Territories, driven by leisure and hospitality economic indicators
- EDA sent letters to the Governor (or equivalent) of each State, DC, and Territory inviting them to apply
- Governors (or equivalent) are required to apply within 60 days of invitation; may designate a State agency or eligible entity to receive grant
- States can spend awards themselves and/or competitively subaward funds

State Tourism Grants: Eligible Uses

Projects must support the travel, tourism, and outdoor recreation sectors and be consistent with CDC guidelines for safe travel

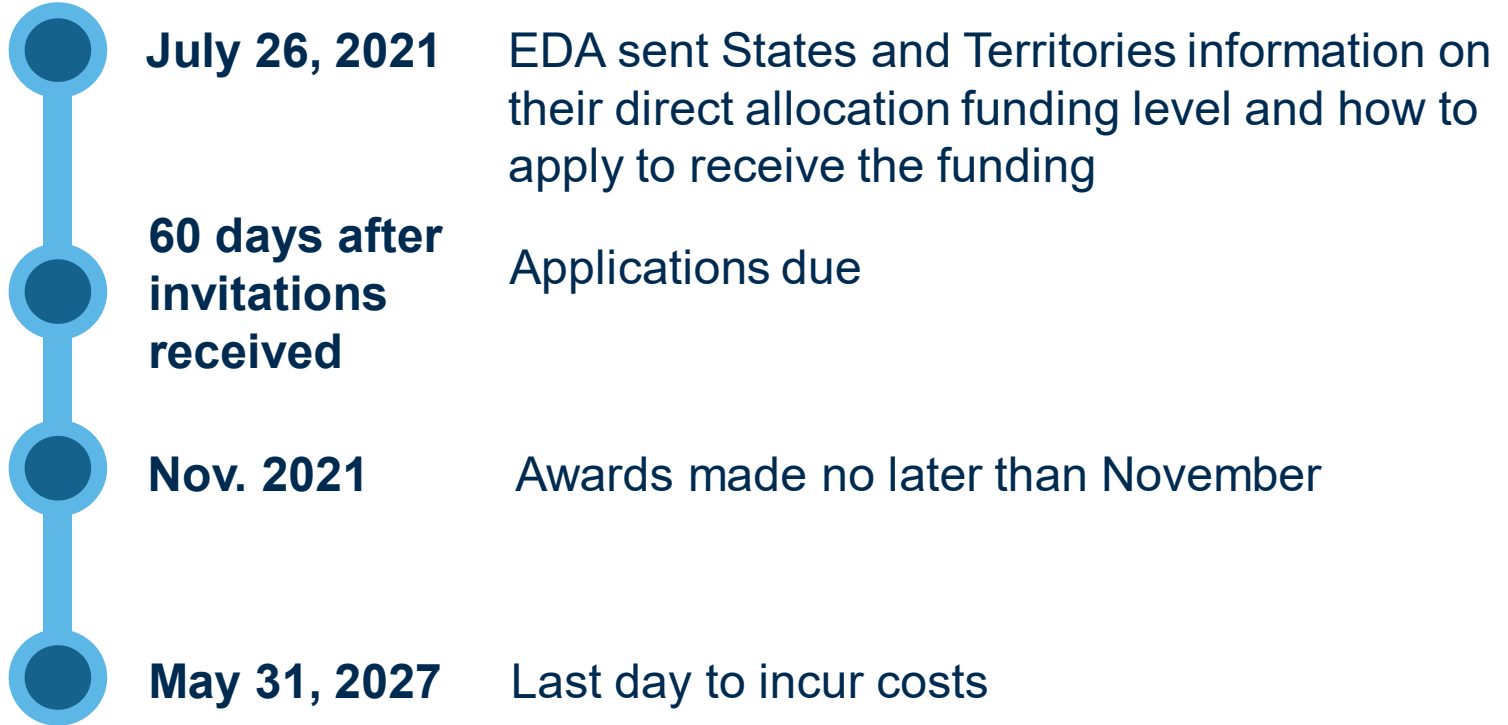

- **Tourism marketing and promotion**
- **Workforce training**
- **Economic development planning and coordination**
- **Technical assistance projects** to assist economic recovery from damage to the travel, tourism, and outdoor recreation industries
- **Upgrades/retrofits to existing travel, tourism, and outdoor recreation infrastructure** (require additional environmental review to be approved)
- **New infrastructure projects** that lead to long-term increases in tourist activity (require additional environmental review to be approved)
- Other uses approved by EDA

Projects that support economic diversification projects away from the travel, tourism, and outdoor recreation sectors are not eligible

State Tourism Grants: Award Timeline

\$510 million

Competitive Tourism Grants: \$240 million

Competitive tourism grants will fund travel, tourism, and outdoor recreation projects that include non-construction and construction activities

Intended to fund projects that:

- Support the development and implementation of a community's economic development strategy for travel, tourism, and outdoor recreation pandemic recovery
- Are in regions most adversely affected by damage to the travel, tourism, and outdoor recreation sectors from the coronavirus pandemic

- Applicants must clearly notify EDA in the application if seeking or receiving any other funding for the project, including funding from a State Tourism Grant
- EDA will use a regular IRC process to evaluate project applications.

Competitive Tourism Grants: Eligible Applicants

Eligible applicants include a(n):

- District Organization of an EDA-designated Economic Development District (EDD);
- Indian Tribe or a consortium of Indian Tribes;
- State, county, city, or other political subdivision of a State, including a special purpose unit of a State or local government engaged in economic or infrastructure development activities, or a consortium of political subdivisions;
- Institution of higher education or a consortium of institutions of higher education; or

Questions?

- Can grant money can be spent on federal land infrastructure projects? The NOFO mentions National Parks, but not USFS, BLM, etc.
- What are matching fund requirements?
- How long beyond receiving the funding will entities have to spend it?
- Are there NEPA and NHPA compliance requirements, and if so, will costs associated with that compliance be eligible through these grants?
- Will long-term program and management planning efforts be eligible for funding?
- Will land acquisition be allowable?
- Will these grants pay for increased staff needed to operate new areas that are opening up to alleviate the crowded conditions due to increase in tourism and visitation at parks and recreation areas?
